### About This Game

An amateur russian startupper creates several business plans but there is not enough cash for bringing them to life. The Startupper wins 1 kekollar at the "Naiobka" casino but it still won't do for the business start.

The guy has to make some potential investors give him\her the money at any cost...

#### KEY FEATURES:

- Different endings
- No saves (You are given only one try to finish any business plan scenario during a single session; each time you open the game - a new scenario, by your choice, would be started from the beginning)
- Train your memory, think and choose answers wisely
- Feel yourself like a true startupper
- Pop culture and memes references
- Achievements

Great concept, awful game.

2V10 has some memes. **Garbage.. Great memeio with funny looking achievements**

**10V10 still cant find that \u2665\u2665\u2665\u2665ing easy ending achievement. I think that's one of the best games I've ever played.**

**Avant-garde style of the art, nice music, an interesting quiz with tricky questions.**

**I'd give this game 10 launched startups of 10.. Game of the year!**

**Good quiz... I think...**

**Save me**

**. Is this Crysis?. There is one way to describe this game: Garbage.**

[If you have \\$1\u00a30.79. just go and buy a drink of water. You'll get better entertainment from that.](#)

[I stumbled upon this game through the "simulators" page on steam and it's a compliment to call it a game. let alone a simulator.](#)

[0V10 slav simulation](#)

[UPDATE: WALLPAPER DLC HAS BEEN RELEASED ITS A REVOLUTION IN GAMING FOR THE SECOND TIME THEY'VE DONE IT AGAIN BOYS. This "game" is absolutely horrible.](#)

[It pretty much just contains a bunch of strange questions with mediocre translation over a few ugly background pictures and one repeating soundtrack.](#)

[I have no clue what the developers even thought when they made this...](#)
