Title: one night, hot springs - art collection Genre: Free to Play, Indie, Simulation Developer: npckc Publisher: npckc Release Date: 30 Aug, 2018

English

you get exactly what you paid for. if you want to support the dev (like myself) then by all means buy this. it doesn't provide "extra game content" or anything unseen in the games (graphically, anyway) but it's a high-quality pdf art compilation so if that satisfies you then go for it.. you get exactly what you paid for. if you want to support the dev (like myself) then by all means buy this. it doesn't provide "extra game content" or anything unseen in the games (graphically, anyway) but it's a high-quality pdf art compilation so if that satisfies you then go for it.
